It is My joy to gift humanity to discover and develop inventions such as the technology of communications. I also see the loss of intimacy for many as they communicate—with technology—and hide their true self behind the technology they use.

Likewise, I have given humanity the capacity to know Me. In a similar way, I delight when persons seek to know Me through the creation, the scriptures, and their understanding. I also grieve the loss of intimacy with those who hide behind the framework of the religious order they have fashioned—yet they do not know Me.

So come to Me—face to face. Through My Son you have full access to My Person, My Presence, My Power, and My Peace without fear of judgment. Do not settle for replicas of Me—images, concepts, dogmas. Come to Me, The Person, for I love you, the person, individually.

My face is seen in the revelation of Myself to Moses—gracious, compassionate, longsuffering, good, true. My face is seen in the character and the works of Christ for all that He is a reflection of My nature working through Him. In Him, you see the radiance of all that I am, for we are one.

My face is seen in the beauty and perfections of all that is true in My Word. Beholding Me in the truth of Scripture changes you into My likeness just as a mirror reflects face to face.

Come to Me, face to face, person to Person for I have redeemed you from all that would keep us apart. You were created and redeemed for fellowship. My Son has prayed that you would enter into the same kind of relationship as We have. Yes, you may join into Our very relationship.

Do not settle for an image, a structure, a process representing Me. Come to Me that your intimacy and joy with Me may be full.

## Strategic Breakfast Seminar

### Walking Circumspectly with our Marketplace Leaders

*Try to learn (in your experience) what is pleasing to the Lord (let your lives be constant proofs of what is most acceptable to Him). Take no part in and have no fellowship with the fruitless deeds and enterprises of darkness, but instead (let your lives be so in contrast as to) expose and reprove and convict them.*

(Ephesians 5:10-11, Amplified Version)

Currently, news reports may be alarming. There is turbulence in our economy, in weather patterns, and in acts of violence within our communities. The scriptures instruct us to live our lives as constant proofs of what is most acceptable and pleasing to the Lord. In fact, our lives should be a significant contrast to much of what society demonstrates today.

Walking circumspectly in the days in which we live can be difficult. Yet if we examine the scriptures together we find biblical truths that offer us timeless and timely instruction to successfully navigate the tumultuous days ahead. Teaching the Word Ministries is offering strategic breakfast seminars to advance the Kingdom of God in the Marketplace. It is our prayer that the Lord will thoroughly open the scriptures to us as we meet together. Would you agree in prayer with us as well?
